

Sprint 4 Report

Slug Pantry

Slugs en la Cocina

December 1st, 2019

Actions to stop doing:

We did not meet up that many times this sprint

Actions to start doing:

Get started on work earlier in the sprint.

Actions to keep doing:

The team has done a good job communicating.

Being on the same page for what needs to be done

Work Completed:

Implemented login page

Able to add recipes to the firebase

Able to delete those recipes from firebase

Able to display favorite recipes on a separate screen

Saving and removing the pantry ingredients onto firebase and redisplaying them

Work Not Completed:

Removing favorite recipes from the favorite recipe screen

Was not able to get unit testing to work

Work Completion rate:

8/8 tasks across the three user stories, 81 out of a total 81 points
