Sprint 3 Report

Slug Pantry

Slugs en la Cocina

November17th, 2019

Actions to stop doing:

The team needs to stop getting distracted during team and programming meetings.

Actions to start doing:

The team should start meeting with Scott Davis to get help with understanding React Native.

Actions to keep doing:

The team has done a good job communicating and meeting, we should keep this up. The

sub-teams are doing a good job of working together to overcome blocks.

Work Completed:

Implemented the Edamam API

Are able to pull ingredients from the Pantry Page

Are able to search for recipes using multiple ingredients

Work Not Completed:

App cannot store the pantry list locally

App cannot reopen the list if the app is closed

Did not work on Firebase tasks, but those were stretch goals

Work Completion rate:

User Story 1 story was completed, while User Story 2 ran into blocks and User Story 3 was

abandoned. The team completed about 50% of the work in the Sprint Plan.
